

Make Your Mark On Georgia's Only Aviation Park

by purchasing a \$100 (tax-deductible) commemorative brick

The DeKalb-Peachtree Airport is the home of Georgia's only aviation park and playground! Children's imaginations are clear for take-off while sitting on the runway of 'PDK II', a mini-airport that is the focal point of the park. Our goal was to build a place to enjoy for the 'plane' fun of it, and all those dreams came true. Now you can continue to "Make your Mark" by purchasing a \$100 tax-deductible commemorative brick in honor of loved ones, anniversaries, birthdays, your first solo flight or any other reason! Your donation will help Angel Flight make hope soar for hundreds of families in need of lifesaving medical treatment.

Commemorative Brick Order: Your tax-deductible donation of \$100 will include placement of a commemorative brick in the community plaza of the park and a certificate of donation. Each brick will hold a maximum of 36 characters (18 characters per line including spaces). Please print your desired inscription below and the brick will be printed exactly as shown.
