Help Pave the Way to Soar to New Heights

by purchasing a $100 Commemorative Brick

Angel Flight's Capital Campaign Project is underway. Join us in making our vision a reality. This expansion will help enable even more families to benefit from lifesaving medical treatment and you can be a part of it. Please consider this an opportunity to help and support Angel Flight as we keep soaring to new heights.

We have developed an exclusive and limited opportunity for our friends and visitors to purchase unique personalized bricks, available for $100 each, that will be tax-deductible, and will lead you to the front door of our fabulous new building. It is our goal to build a facility that will provide families in need of transportation, aviation enthusiasts, and anyone who loves to serve, a place where hope soars. This important community interface is being made possible by the generosity of volunteers and financial contributors. Wakefield Beasley & Associates, has been able to draw our dream on paper and the reality has been created.

You can help pave the way by purchasing a $100 tax-deductible commemorative brick in honor of loved ones, anniversaries, birthdays, your first solo flight or any other reason! Sponsorship opportunities are also available in the following denominations and include placement of a bronze plaque in the park (silver – platinum levels get individualized plaque; all bronze sponsors receive a listing on a bronze plaque). Sponsor Levels: Bronze: $1,000 - $2,499; Silver: $2,500 - $4,999; Gold: $5,000 - $9,999; Platinum: $10,000 + . Naming opportunities will also be available.
